

“SPONSOR A SPACE”

APPEAL FOR

NEW APPROACHES

TO CANCER

In our “Sponsor a Space” Appeal, each day of the year has six £10 spaces available for you to sponsor, so just choose a date and year and send us your special dedication for that day on a postcard of your choice.

‘SPONSOR a SPACE’ FOR £10

‘DONATE a DAY’ FOR £60

A ‘DAY a YEAR’ FOR 5 YEARS £300

You choose, all dates are available, valid from 1st June 2004 until 1st June 2009

“Sponsor a Space” is a unique way to really provide help where it is required. Instead of raising money to create one special space or centre, our aim is to create a dedicated pool of funding for services that we will provide. All services will be free of charge such as gentle yoga sessions, nutritional education, advice on prevention and all sorts of gentle therapies and healing; also counseling and support. These services will be available to all in need but perhaps without the funds to access this sort of expertise.

Your “Sponsor a Space” sponsorship money will go directly to finance either the hire of the space to provide these services and/or to enable us to pay for the time and the expertise required. Perhaps paying expenses to volunteers or a basic hourly rate to secure the regular services of qualified professionals. As the pool of funding grows, the benefits of free classes, courses and support groups will eventually be available nationwide and located where they are most needed.

The charity **New Approaches to Cancer** has now been running for over 30 years sending out free information about the gentle ways people can help themselves through the experience of cancer. Now it’s time to expand our work and we need your help to put our new educational and support project into action. It’s very easy to “Sponsor a Space” all you have to do is:-

“Sponsor a Space Appeal”
PO Box 194, Chertsey, Surrey KT16 0WJ

To thank you for your generosity with our fund-raising campaign we are creating a symbolic *Tree of Love* in our office, which will be decorated with your postcards. A celebration reflected by your specially chosen words and images for a much loved person, place or event and the special dates you choose to sponsor. Dates to remember.

Each and every space sponsored is an important contribution to the whole and we very much appreciate all your creative funding ideas and group fund-raising initiatives to help us with this five year appeal.
